The Committee received the Commission's requests for information dated December 27, 2016, regarding its amended July Quarterly report and its October Quarterly report. The Committee made errors in its filings by failing to properly disclose contributions on its July Quarterly report and by filing to timely file an Independent Expenditure report. The IE report has since been filed. The Committee has reviewed all compliance procedures with its principals to ensure that all activity is correctly and timely reported in the future. The Committee regrets its errors.
